The contractor further agrees that it will require all of its employees to comply with all applicable laws relating to this agreement, or the performance thereof, and that the refusal to supply such evidence and/or testimony shall be the cause for immediate termination of this agreement by the City.

## **NON- COLLUSION CLAUSE**

Pursuant to Section 103-D of the General Municipal Law of the State of New York.

(a) By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under the penalty of perjury, that to the best of knowledge and belief:

(1) The prices in this bid have been arrived at independently without collusion, consultation, communication or agreement, for the purposes of restricting competition, as to any matter relation to such prices with any other bidder or with any competitor.

(2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any bidder or to any competitor; and

(3) No attempt has been made or will be made by the bidder to induce any other persons, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

(b) A bid shall not be considered for award nor shall any award be made where (a) (1) (2) or (3) above have not been complied with; provided however, that if any bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefor. Where (a) (1) (2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publications of new or revised price lists for such items or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of subparagraph one (1).

(c) Any bid hereafter made to any political subdivision of the state or any public department, agency, or official thereof by a corporation bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulations, or local law, and where such bid contains the certification referred to in the sub-division one of this section, shall be deemed to have been authorized by the Board of Directors or the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.
